**In Celebration of World Creativity and  
Innovation Day**  
**21 April**

**CLIMATE  
CHANGE  
MAKERS**

We build resilience and hope into young people's learning about climate change to minimize climate anxiety, grief, fear, or guilt about the planet's future and their own.

Encourage  
Optimism

Promote  
Hope

How We Support Young People

Change  
Thinking

Change the  
Narrative

Take Action with Art  
Climate Change Makers Gallery

Climate Changemakers Gallery provides a platform for young creatives who are anxious about their future and the future of our planet to raise awareness, become more resilient, and promote a transformation to sustainability.

## The Dangers Of Severe Weather For Georgia's Human And Marine Life: Challenges in Achieving SDG 14

Explore the impact of extreme weather on Georgia's human and marine ecosystems and its role in the progress of achieving SDG 14.

## The Dangers of Severe Weather for Georgia's Human and Marine Life: challenges in Achieving SDG 14 in Georgia

In 2023 alone, the state of Georgia suffered from 11 severe storms, a tropical cyclone, drought and flooding. At least 90 were killed in those 11 storms, 5 were killed in the tropical cyclone, 247 died due to the drought, and 5 died due to flooding. This all happened...

## ACESWorld was recognized as a Community Partner of the George Washington University Milken Institute of Public Health

2nd Annual Community Partner Recognition and Award Ceremony hosted by the George Washington University Milken Institute School of Public Health.

Taking place on **Thursday, April 4th, from 11:30 am to 1:00 pm**, this event coincides with National Public Health Week. We aim to honor our esteemed community partners for their exceptional dedication to supporting our students, staff, and faculty in shaping the future of public health and enhancing community well-being.

Join us as we express our gratitude and present awards at this special ceremony. Reception to follow.

*Register by clicking the button below.*

Milken Institute School  
of Public Health  
THE GEORGE WASHINGTON UNIVERSITY

On April 4, ACESWorld attended the Annual Community Partner Recognition and Award Ceremony hosted by the George Washington University Milken Institute School of Public Health. It was a great opportunity to network with fellow organizations

that are dedicated to enhancing community well-being and protecting our planet.
